

CHETAN CHANDRAMOHAN BHASNEY

SOFTWARE DEVELOPER

I have a comprehensive knowledge and expertise in various areas of software development, augmented by my four years of experience as an open-source contributor in numerous projects. Proficient in multiple programming languages such as Java, Python, web development, and JavaScript, with a strong understanding of frameworks and libraries. Skilled in developing scalable and robust applications for web, mobile (Android), and desktop platforms. Experienced in database management, API integration. Solid problem-solving abilities, attention to detail, and a passion for delivering high-quality code.
